## Old Forge Bus Route to Change

Scranton, Pa. – The County of Lackawanna Transit System (COLTS) has announced that part of the Old Forge bus service will change beginning Thursday, Oct. 13, 2011 because of the opening of a new bypass road in Taylor and the closure of the Main Street Bridge.

Old Forge buses that do not service the Stauffer Industrial Park will return to the former regular route and will no longer service Oak Street, Keyser Avenue, and Union Street.

Weight restrictions imposed by PennDOT prevent COLTS from traveling on Union Street.
