County buses set detour in Throop

THROOP — The County of Lackawanna Transit System will begin a temporary detour in Throop beginning Monday and continuing through Friday, Dec. 3, to accommodate installation of new sidewalks in the borough.

The detour will affect the COLTS Jessup routes. As the Jessup route buses head into the Midvalley, the route will now go from Sanderson Street, to Charles Street, to Center Street and then continuing its regular route. Heading back to downtown Scranton, the bus will go from Franko Street to Dunmore Street, to Center Street, to George Street, and then resume its regular route.
